Re: Scientific Chemical Processing Superfund Site In Carlstadt,  
New Jersey - Administrative Order Docket Nos.: II-CERCLA-  
00115.

Dear Respondent:

As you are aware, a unilateral Administrative Order was issued to your company and others under Section 106 of the Comprehensive Environmental Response, Compensation and Liability Act, as amended ("CERCLA") for performance of response actions at the Scientific Chemical Processing Superfund Site (the "Site") in Carlstadt, New Jersey. The Order, Index No. II-CERCLA-00116, was signed by the Regional Administrator on September 28, 1990, and by its terms will become effective on October 18, 1990.

By letter dated September 28, 1990 you were informed that U.S. Environmental Protection Agency ("EPA") representatives would be available to meet with you, your representatives, and representatives of other Respondents at 1:00 P.M., Tuesday, October 16, 1990. On October 2, 1990 EPA was advised that some of the Respondents may have a conflict with the meeting time. EPA has, therefore, rescheduled the meeting for 9:30 A.M., Tuesday, October 16, 1990 in Room 305C, 26 Federal Plaza, New York, New York.

Please call Pat Evangelista of my staff at (212) 264-6311 if you have any questions concerning this matter. All calls from attorneys should be directed to James Rooney, Assistant Regional Counsel at (212) 264-3297.

Sincerely yours,
